5.2 ITI shall publish an annual Fee Schedule listing all the tuition fees and charges, including refundable and non-refundable fees.

5.4 Where an enrolment change is necessitated by illness or other exceptional and compassionate circumstances beyond the student's control and which prevent the student from completing studies in that study period, any refund of tuition fees is contingent upon approval of the refund by the CEO.

5.5 Fees and charges may be consolidated under a "package" if the student is enrolled in more than one course at ITI. The types of fees and charges payable to ITI by a student may include, without being limited to, the following:

The following refund conditions and procedures will apply to all the fees whether paid directly to ITI or through an approved agent of ITI.

Where it is not possible for a student to be present in person (e.g. students residing overseas or international students) to claim a refund, the student must send a scanned copy of their signed forms to the Student Admissions Officer either by email or facsimile. - 6.4 When an amount is refunded to an international student, ITI will provide the student with a statement explaining how the refund amount has been calculated.
- 6.5 A refund of fees in relation to an international student will be made in the same currency in which the fees were paid and be made to the party who entered into the written agreement with ITI, unless that person directs ITI otherwise in writing.

A student may appeal against a decision made with respect to fees, including refunds, and the appeal must be lodged in writing according to the processes for appeals as detailed in the *Student Complaints and Appeals Policy and Procedure*.
